- Artwork must be in vertical format and entirely within the frame lines on the cover template.
- Only original artwork will be considered (no photocopies or photographs).

NOTES FOR TEACHERS

- Please use the cover template on the next page for entries. Duplicate it clearly on white paper. Be sure to use white paper that is heavy enough so that any marks on the back do not show through. You may duplicate the page in any quantity as needed for your students.
- A PDF of the 2017 Cover Contest template may be downloaded from **MusicK8.com**. Click on "Graphics & Extras" for this issue to access the file.
- Be sure that the artist's name, school, **complete** school address and phone number, artist's age, grade, and music teacher's name are printed **legibly** on the back of the entry. (A sample ID template is printed below left. It may be duplicated for attaching to entries. You can also download an interactive PDF containing ID tags from our web site **MusicK8.com**.) Teachers are asked to especially check the younger students' ID tags for legibility, completeness, and correctness. We do our best to decipher names and addresses, but we do need your help. Thanks.
- We also do our best to weed out copyrighted materials, but it's impossible for us to know every image ever created. Please discuss this with your students and check their artwork before you submit their entries.
- Please ask students to keep their artwork clean (no smudges or stray marks).
- **Please do not fold or laminate** cover contest entries.
- **Please do not include** product orders or other correspondence with contest entries. Entries are handled differently and any other items in the package may be missed until much later.
- Please be sure to affix sufficient postage when you mail the entries.
- All entries must be **postmarked** no later than **Thursday, January 26, 2017** to be eligible for the contest.
- Send cover contest entries to:
