Local Field Trip Permission Slip – 2019-2020

During the school year, teachers might take advantage of local educational or leisure opportunities for field trips.

Depending on the destination, students will either walk or be transported by school bus. Students will always be accompanied by PCS faculty and staff.

You will be notified when a trip is scheduled.

I give permission for my child to go on local field trips as described above during the 2019-2020 school year.
