**IMPORTANT NOTE REGARDING RESIDENCY AND DOMICILE:** By law, children residing in the Municipality of Princeton who will be over the age of five (5) by September 30, 2017 and who are domiciled in Princeton are given first priority in the lottery for entrance to the school. The term “domiciled” means that the student lives with a parent or guardian whose permanent home is located within the boundaries of the Municipality of Princeton according to state regulations:

- A home is permanent when the person intends to return to it and has no present plan to move from it, even though he/she has existing homes elsewhere.
- Residence requires bodily presence as an occupant in Princeton.
- There are special circumstances in which a child may be allowed to attend school in a district other than the one in which the parents or guardians are domiciled. Exceptions must be sought through the admissions office of Princeton Charter School.

For families in the process of moving into Princeton at the time of the lottery, attach to this application evidence that the parent or guardian with whom the child(ren) lives will be resident in Princeton before the first day of school (for example, an executed lease or contract to purchase a home in Princeton into which a family intends to move after the lottery). The admissions office will contact you to advise if your documents establish that your children are eligible for the resident lottery.

**It is the policy of the Princeton Charter School that should it discover that a child was not eligible for the resident priority lottery, the Princeton Charter School may disenroll the student.**

**If, at any time before or after the lottery or enrollment, you or your child changes his/her domicile or residence, you must report this information immediately to the Princeton Charter School administration.**

By my signature, I certify that that I have read the information above, understand it, affirm that my child(ren) and I are legal residents of the municipality indicated above, and that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I may be subject to punishment, recovery of public funds, and my child(ren) may be subject to disenrollment.

**Signed:**
