Re: Transportation Waiver for the 2020-2021 School Year:

Dear Parents,

I hope this letter finds you well and in good spirits despite all that has developed with the COVID-19 virus. Thank you for your patience and understanding as we navigate all the resources and suggestions for the best practices while traveling on a school bus.

Drivers will be following CDC recommendations on cleaning, disinfecting frequently touched surfaces, on school buses daily and between runs as much as possible. Drivers will be wearing masks and practice frequent hand washing. We will be increasing distances between students seated on the bus.

*We are implementing this transportation waiver program for the 2020-2021 school year, as a way to transport our student's safely in our hybrid model for the 2020- 2021 school year, for the re-opening school this Fall **AND** as a way to run our district more efficiently. In the event that your situation changes during the school year, the district will work with you to provide transportation. We average approximately 50% occupancy, as measured by the district, on our buses! **This waiver is ONLY good for ONE year.***

All Forms are attached.

Please mail or email back to donnabradin@princetonk12.org, if you are waiving school bus service for your child or reinstating, for the 2020-2021 school year.
