

# Student Supplies: K-4, 2018 – 2019

## Kindergarten – 4<sup>th</sup> grade

Dear Parents,

We look forward to the new academic year. The following list of items will help to support your child in the classroom, and we appreciate your contribution. If you are unable to purchase all or some of the items, please let your child's teacher know via note or email and the school will provide them.

Please label binders, notebooks, composition books, folders, and pencil cases with your child's name to ensure they can keep track of their own work or notes. Items such as tissues, paper towels, pencils, etc. may be used communally for the benefit of all class students. Friends of Princeton Charter School supplies each child with an assignment book.

While the retailers put out a lot of nifty and interesting products, we encourage you to purchase these for home use only and not send them to school. Plain utilitarian supplies work the best for school work. We have found that pencil cases that look like stuffed animals, pencil sharpeners that are small versions of starships, erasers that look like princesses, and pens that glitter and have flowers or feathers attached, etc. are distracting or create conflict when coveted by classmates. This takes away from the learning environment.

Thank you for your understanding.

Sincerely,  
Gail Wilbur
